

International Education Week

## International Education Week November 16-20, 2020

International Education Week (IEW), November 16-20, 2020, is an opportunity to celebrate the benefits of international education and exchange worldwide. This joint initiative of the U.S. Department of State and the U.S. Department of Education aims to promote programs that prepare Americans for a global environment and attract future leaders from abroad to study, learn, and exchange experiences. (*Learn more about International Education Week at: <http://iew.state.gov>*).

For the Bulgarian-American Fulbright Commission and EducationUSA-Bulgaria, IEW is a great opportunity to celebrate the benefits of the U.S. higher education and cultural exchange for preparing young Bulgarian leaders for a global environment.

During and around the IEW, a number of activities are scheduled in Bulgaria to attract the attention of students, professors, high-school teachers, educators, professionals and parents.

Join #IEW2020 to celebrate the benefits of international cultural and educational exchange.
