

Remote SCHOOLS 2021

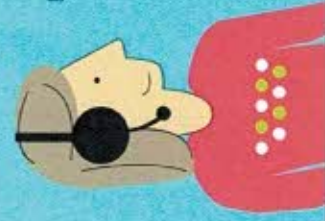

CERTIFICATE

Езикова гимназия „Христо Ботев“

School name

Кърджали, България

City, Country

The school took part in the project REMOTE SCHOOL, which enabled school boards and German teachers to carry out models for goal-oriented and motivated teaching in remote mode and supported an exchange of views and ideas about distance learning in South East Europe.

The project took place from March to December 2021 and included 4 training modules

• on digital skills and didactics • school and lesson development • relationship building • organization and administration •

as well as an online conference on topics of hybrid learning and digital school development
